Digital Communication Policy

The Archdiocese of Newark continues to serve the young people of Our Lady of Victories of Jersey City, N.J.

Parish program facilitators will deliver virtual programming and content for its participants, through online platforms. The program(s) will use software, tools, and applications provided by third-parties that participants, parents/legal guardians, volunteers and/or staff will access via the internet and use for purposes of communication, programming, and potential content creation. These platforms may include but are not limited to: goodcatechesis.com, Google Classroom, GoToMeeting, Webex, and Zoom.

To enroll in any of these programs, you must provide your consent and release for your child to participate in these online applications for distance-based, virtual program purposes. Please be aware that each application collects different information about its users and has its own privacy terms and conditions to which members must adhere and which parish or diocese cannot control or assume responsibility. Please review these carefully before registering your child.

Our commitment to keeping the children and youth we serve safe is always our number one priority. To that end, we will actively monitor participant activity of children while engaged in our digital learning platforms. It is parents' responsibility to monitor their child's internet usage as a whole, including their use of any internet sites that are outside of our digital learning platforms. All online activities contemplated hereunder must also comply with the Archdiocese of Newark Safe Environment Protocols and must also follow any use requirements developed by the Archdiocese of Newark and/or the Department for the Protection of the Faithful.
